**TO WHOM IT MAY CONCERN**

During the months of April and May 2012 we had the pleasure of employing the services of Vincent Meurice as a dive guide and instructor in the beautiful waters around Guadeloupe.

Vincent is clearly a highly experienced diver and has fantastic knowledge of his local area. We experienced up to 3 dives a day and we observed a large and diverse amount of sea life. Vincent varied the dives daily to keep them interesting.

His approach is friendly and professional. Nothing is too much trouble for this guy.

We welcomed him on board as part of the crew and he left as part of the family.

Having his own boat and dive shop means that Vincent can offer many services to suit all needs.

I cannot recommend Vincent highly enough and will 100% use his services again when we find ourselves in this part of the world again.

If you require any additional information please do not hesitate to contact me personally.

Yours Faithfully
